## TEKNIKUM INDUSTRIAL HOSES INCLUDING UHMWPE -LINING

I hereby testify that UHMW-PE (Ultra-high-molecular-weight polyethylene) materials used in Teknikum Oy Industrial chemical hoses MULTI-TEK™ SD UPE Clean and MULTI-TEK™ SD UPE Pro, fulfill the material requirements and are manufactured according to:

EC 1935/2004

EC 2023/2006

EC 10/2011

Additionally the UHMW-PE material conforms FDA regulations CFR 21 § 177.1520 (Olefin polymers) as well as § 17 (1) of the LMSVG. MULTI-TEK™ SD UPE Clean and MULTI-TEK™ SD UPE Pro, are suitable to use also for Halal and Kosher medias.

This certificate is electronically issued and is without personal signature valid.
